INTRODUCTION

The Integral USB Courier Flash Drive has a translucent blue casing with silver colour edging. It's clever design allows you to store the cap on the end of the Flash Drive when in use.

FEATURES

- Cap stored on USB Flash Drive when in use
- Stylish translucent blue casing
- LED indicator
- Unique ID (optional) – The USB Flash Drive can be personalised with a designated company identifying name or number. This will allow a Network Administrator to block access to unrecognised USBs for security purposes, whilst allowing the Integral USB Flash Drive to function as the 'official' company drive.
